User Story 1

Jeanine

Jeanine wants to go to the next Two-Fisted Law show. She's away at school and wants to know if they'll be playing any shows while she's home for Thanksgiving break. She's wondering if she could get a TFL t-shirt before the show, because she hates waiting in the Merch line and would rather just enjoy the show. She's thinking of bringing a friend, but doesn't have any CDs with her. She'd like to play some songs for her friend off the website.

Ryan

Ryan is in high school and loves punk music. He's saw TFL open up for the Misfits last weekend and thought they were really awesome! He wants to see if there are any all ages shows he and his friends could go to. He likes playing videos when he's supposed to be doing homework. He wants his friends to go, so he's hoping he could post some videos or music to their facebook pages.
